STEP Program

STEP

Student Transition to Employment Program — Up to \$2,500 divided into 6 payments.

Commitment

A one year commitment to work at Wayne Memorial Hospital upon graduation from an accredited nursing program.

Eligibility

Externship for Credit OR 6 months before graduation from Nursing program and no other commitment to Wayne Memorial Hospital.

If you are currently in the Nurse Extern Program at Wayne Memorial Hospital or will be a graduate from an accredited nursing curriculum within 6 months, you may be eligible for our new **STEP** initiative.

The Student Transition Employment Program (STEP) can provide up to \$2,500 over a six month period to help with educational expenses.

- A maximum payment of \$2,500 is available, paid in monthly installments from one to six months
- First month payment is \$500
- Second through sixth month payments are \$400

After enrolling in **STEP**, the amount you receive is repaid by a one-year employment agreement with Wayne Memorial. Should you not be able to fulfill your one-year employment obligation, the amount granted must be repaid to the hospital on a pro-rated basis.

Participants in the Wayne Memorial Scholarship Loan Program, the Wayne Memorial Stipend Program or Wayne Community College Foundation Nursing Scholarship Program are not eligible for **STEP**. Participants in the **STEP** program do not qualify for any further recruitment premiums or bonuses.

For Nursing Students interested in our Extern Program, we will pay for your clinical course in conjunction with our Extern Program. Course fee would be subtracted from the \$2,500. The remaining amount would be divided and paid in monthly installments beginning the month prior to your last college semester.
